1. We will be asking all Food Booth Vendors do their part in helping keep their area clean and free of trash. If you see a problem please let us know about it at the Fair Office. Putting on an event that everyone enjoys attending is our goal. We also ask all Food Vendors to make their booth as attractive and inviting as possible. Flags, awnings, additional seating and Professional Looking Signage will go a long way in making your stay more profitable. Don't assume everyone knows who you are and what you are selling.
 2. There will be no sub-letting of booth space allowed or transferring booth space to another individual or organization. The person or organization who signs the contract must be who operates the booth.
 3. Please stock your booth in the morning. No Vehicles on the Midway after 11 am.
 4. No PARKING allowed inside the fairgrounds. This includes all Vendors.
